

BARNARD COMMUNITY TRUST, INC.

The Barnard Community Trust has been formed as a local, non-profit organization committed to finding a way to save our beloved Barnard General Store.

In partnership with the Preservation Trust of Vermont, we have just signed an agreement with the current property owner, which gives us a 6 month option to buy the store. We now have until the end of 2012 to raise the \$500,000 required to purchase the building and grounds.

In addition, we will also be raising funds as needed to cover expenses during the option period (utilities, insurance, etc.).

If you would like to be kept informed of our progress and/or contribute to our efforts please fill out the information below and mail to:
